INDIAN CONTEMPORARY CUISINE

## Good food brings us together

I had a magical childhood, moving from town to town with my father's travelling theatre company. "The Company" would always sit down to a meal together. I used to love roaming around the kitchen among the cauldrons of steaming food, but more than anything, I enjoyed seeing the joy on the diners' faces as they savoured the tasty delights. This is where my love of cooking began.

Inspired by a land so rich in culture & influenced by the great chefs that I have met over the years, I hope that you enjoy sharing in my journey & the lovingly prepared recipes presented in this menu.
